**DATE:** FEBRUARY 2, 2010  
**SUBJECT:** WRITTEN COMMUNICATIONS TO THE AUTHORITY

**Comment Submitted by:**

Diane and Walt Sasser of Lafayette

**Subject:**

Lois Courchaine's Column

**Comment:**

Lois,

Thank you for your article of January 22, 2010. We, also, collect all beverage containers to recycle, not because we need the money, but to help keep our community clean, help the planet and recycle everything possible. Again the inept people in Sacramento have stolen from a great program that was paying for itself. Please keep us advised on this situation as you stated.

Thanks again.
